Dear Parents and Carers

This term, as part of the Art and DT curriculum, we will be looking at and exploring printmaking. In order for the children to experience a range of different techniques, they will need to bring some resources from home.

They will need:

- Thick cardboard (such as that used for strong cardboard boxes), clean and collapsed
- String (butchers' type is best)
- Thick aluminium foil, such as food containers. The children will be etching onto the flat surface, so the larger, the better.

Thank you for your continued support.

The Year 5 / 6 team.
