Headteacher: Miss Elizabeth Ennew

Tuesday 10<sup>th</sup> April 2018

Dear Parents/Carers,

Our school clubs will commence the second week back of each half term, and will run until the penultimate week of the year. Please indicate which club(s) your child would like to join by ticking the appropriate box and returning this letter to Mrs Allen as soon as possible. As you will appreciate, for health and safety reasons there are a limited number of places available for the some of the clubs and these will be allocated on a first come first served basis. However, it is our aim to ensure that every child participates in at least one school club during the school year and every effort will be made to find a place somewhere for everyone. It is important that children do not deprive someone else of a place if they are not committed so please remind your child that the expectation is that once they have joined a club they attend every session for at least half a term.
