10th December 2018

Dear Mercury Class,

Mercury Class will be attending Forest School this term.

Sessions will take place on Fridays 9.00am – 11am on 18th January, 25th January, 1st February, 8th February, 15th February.

Forest School rules:

Look after your Forest School areas

Do not pick anything that is growing

Stay within the boundaries set

Do not put your fingers or anything else into your mouth

Follow instructions immediately

STAY SAFE

Our activities will be wide ranging to allow children to try out their own ideas, explore interests and attempt new challenges including using tools and lighting fires. In order to do this safely, I need you to return the attached agreement and permission slip.

Children will need a basic outdoor learning kit in order to participate.

A complete change of clothing – old tracksuit bottoms, t shirt or base layer, a jumper / fleece, spare underwear and socks. Carrier bag for dirty / wet items.
A waterproof coat and trousers - we will be outside whatever the weather !
Wellies / strong and waterproof outdoor footwear - don't forget thicker welly socks if required
Winter hat / summer hat - depending on the season

We have such a wonderful community at MSN that I hope we can be creative with sharing kit between children so that very little needs to be purchased. I have a small stock of items, but they need to be used for emergencies during the sessions for example if your child is already wet and dirty, they can continue.

Please send your child with a water bottle and a snack on the day.

I will need a minimum of 3 volunteers for each session. All you need is a waterproof coat, wellies/outdoor shoes and a sense of adventure ! Please indicate on the reply slip if you can help.

I look forward to hearing from you.

Mrs Carolyn Meade
