Thursday 12th April

Dear Parents and Carers,

Welcome back to school! I hope you had a lovely Easter holiday. We have lots of exciting things planned this term for our 'Amazing Animals' topic, which I am sure your Otter will enjoy. As always, I am very happy for your child to bring in anything animal related to school for Show and Tell.

**Farm visit:**

Next Tuesday (17<sup>th</sup> April) Otters will be visiting Willow Farm. Willow Farm is a working dairy farm in the village and we are very lucky to be given the chance to visit and learn about how the cows are looked after and milked. We will be walking to and from the farm (through the village and across the field) so please make sure your child has their wellies in school and also waterproof trousers if possible.

**Copse Visit:**

The whole school will be walking to The Copse on the morning of Tuesday 24<sup>th</sup> April, as always parents/grandparents are very welcome to join us for this. We aim to leave at 0900am. Again, wellies and waterproof trousers will be ideal.

**Chicks:**

This term we will be hatching some chicken eggs in the classroom (the week beginning 30<sup>th</sup> April). Please let me know if this will cause any allergy problems for your child. Neil Collins, a Clutton parent, is kindly arranging the incubator and eggs for no charge, but if you are able to make a small contribution he is raising money for the charity Orphans in the Wild which supports children in Tanzania who have been orphaned by HIV and AIDS.

**Pet morning:**

I would like to organise a pet morning this term for your child to share his/her pet with the class (with your help!) or for you to come in to talk about your pet and briefly share with the children how you look after it. Please let me know using the slip below if you would be interested.

**Reception word list:**

Some parents have asked for more guidance on supporting their child at home with reading and writing – thank you. With this letter I have attached a list of words which your child should be able to read and write by the end of their Reception year. We are working with this in class, but a little extra daily practice at home will make all the difference. Please do pop into class if you have any questions, and thank you for your continued support.

Best wishes

Mrs Parkes Cordock

**Pet morning:**

I would be happy to come into Otter class and bring my pet (please specify) \_\_\_\_\_

The best day of the week for me is \_\_\_\_\_.

Signed..... Child's name.....
