

# Our School's Key Achievements in 2018

An ongoing fantastic PTFA and school community raising funds to support resources and opportunities in school and bringing the community together

Pupil Voice have been active in making changes in their school and community. In Terms 1 and 2 alone, the school raised over £550 for charities chosen by the Pupil Council.

**91% of children enjoy lunchtimes.**  
OPAL Pupil Survey T2 2018  
Dedicated Playworker in place, enhancing the OPAL programme

EYFS and KS1 results are now the best they have been in over 5 years

Attendance at 97% is now consistently higher than national average. "Children enjoy coming to school" OFSTED 2018

Smarter spending in school has improved the school's financial position

The school now has a SENCO in school every day

The vast majority of children now take part in extra curricular sports and activities

OFSTED identified **strong leadership** at all levels developing through the school, rapidly improving pupil outcomes.

MAT support specialist teaching in French, Science, PE and IT subjects

Support staff are now able to deliver an **effective intervention programme** to help all children achieve to the best of their ability.

Doodlemaths has had an enormous positive impact on children's understanding and progress in maths.

In the office:  
All payments are now made through ParentPay and all meals are bookable online.

Ofsted Inspection  
Jan 2018

## ECO Initiatives:

- School communication moving towards paperless channels.
- Eco brick building
- Recycling in every area of school
