Dear Parent/Carer,

Over the past term, the number of children taking part in the after school sports activities provided by Premier Sport has decreased dramatically. Premier Sport kindly agreed to run the clubs at a reduced cost this term but cannot continue to do so next term. In order for the clubs to be sustainable we need to have 12 children attending each club. If there are 15 or more children attending, the cost to parents will reduce from the current cost of £4 per session.

I would be extremely grateful if you could take a couple of minutes to complete the attached survey and return it to the main office so that as a school we can see whether we are able to continue running these sports clubs.

Please note that this is not the club sign up form.

Thanking you in advance.
