

8-17 March
**British
Science
Week
2019**

On 20th July 1969, Neil Armstrong became the first human to step foot on the Moon.

To mark this event, we are launching a competition to design a moon buggy.

Your design can take any form, but must be innovative and practical. You may submit your design as a paper plan or working model.

Prizes will be awarded in different age bands and judges will be looking for design details, technical specifications, innovation and effort.

CLOSING DATE FOR ENTRIES: Friday 15.03.19
