

**2015 Key Stage Two Results Analysis**

**Clutton**

**KS2 Test Outcomes - Level 4+**

**Total number of Pupils in the results file:**

13

Please note: there are a number of codes that can be recorded against a pupils test result. The only codes that are included in our analysis are A, D, N, B and all levels. The codes that we have NOT included are F, L, M, P, Q, X and Z. This is to replicate how the DfE calculate percentages.

**Number of Pupils with valid results (A, D, N, B and all levels) and included in our analysis**
