

March 2019

Dear Parents and Carers

Please find attached the Easter holidays revision timetable. These revision sessions are an invaluable opportunity for year 11 to make significant progress with their revision – **please encourage them to sign up to relevant sessions.**

Just to remind you of what has been happening with Year 11 recently:

- All students have had guidance on how to revise and how to plan their revision.
- All students have sat mock exams in January, with a second mock in English, Maths and Science in March.
- Afterschool revision sessions have been running in most subjects since Christmas.

Please can I ask you to:

- Ask to see your son's/daughter's revision plan.
- Encourage your son/daughter by ensuring that this plan is discussed daily.
- Check that your son/daughter is actively revising – i.e. breaking down information into small chunks, using cue cards/bullet points/highlighters etc.
- Remind your son/daughter that effective revision is so much more than just reading through notes.
- Ensure that they have a quiet area in which to revise over the Easter holidays.
- Contact their subject teacher at the school if you have any concerns at all about your son's/daughter's progress with revision.

Year 11 now only have 33 school days left of normal lessons and some exams are already beginning to take place!

Yours sincerely

Mr K Howard
Headteacher

EASTER REVISION

Safeguarding Notice

Please ensure that you arrive on time for sessions as students will need to be collected from the main reception by staff and taken to their revision session. There will not be general access to the school during the Easter holidays.
