

Welcome to Neptune Class

The children have settled in really well and they are showing good learning behaviours. It is wonderful to see the children demonstrating our school values of kindness, fairness and respect. Our learning gem in term one was 'independence' and we've seen lots of that. We have been delighted to welcome Mrs Hammouda (Bath Spa University student teacher) to our team and the children have enjoyed getting to know her.

Reminders

PE

PE days will be on Wednesday (PE when we are not swimming) and Friday. Swimming sessions will be in terms 1, 3 and 5. Please ensure your child wears their PE kit to school.

Children will need their swimsuit, goggles and towel in a bag for swimming. Please ensure everything is labelled so we can return it to your child if lost.

Homework - Children are expected to read daily and reading records need to be signed at least three times per week.

Weekly spellings will be sent home on Mondays and please write 3-5 columns per week.

We would like children to play Doodle Maths for ten minutes each day and practise their times table facts as often as possible on TTRockstars.

'Hit the Button' on www.topmarks.co.uk is also a fun way to practise times tables.

Healthy snacks

We recommend children bring fruit or vegetables for their morning play time. Please avoid snacks containing nuts or rice as we have children with serious allergies in our school.

Library visits

Neptune class visit the school library weekly and we will visit the local library once a term. Books are taken out but these are kept in school. We encourage every child to visit the library and register for a library card so they can take out books to read at home.

Home learning opportunities

Children will be expected to read as often as possible at home
and please record this in reading records.

Children will bring home weekly spellings.

Play Doodle Maths to consolidate key mathematical concepts.
