Parents Evening - School Cloud
<https://clutton.schoolcloud.co.uk>

Dear all,

We are happy to welcome the children back into school after a much needed Easter break. As per my newsletter at the end of Term 4, we are holding Parents Evening appointments next week. As government guidelines do not yet make it possible for families to come into school, we are again using the school cloud system.

School Cloud <https://clutton.schoolcloud.co.uk> is an online system that allows you to have a virtual meeting with your child's class teacher. Most parents will be able to use a smart phone, however any device with a front facing camera and microphone, will work.

Following feedback from the last Parents Evening held in Term 2, we have extended appointments to 10 minutes. School Cloud has also made improvements to their system, including the option to invite a second parent to the same meeting.

Parents Evening Appointments will take place week beginning 26th April, 2021. The availability of teachers varies due to other commitments. Appointment times are available between the following times:

	Monday 26th April	Tuesday 27th April	Wednesday 28th April	Thursday 29th April
Cherry Class (Mrs PC)		4pm and 6pm	4pm and 6pm

SEN Appointments

Our SENCo Mrs Muckley, will be available for telephone appointments on Tuesday 11th May between 9:30 and 11:30am. If you would like to make an SEN appointment on this day, please contact the school office office@cluttonschool.com or 01761 452510.

We have attached a School Cloud guide on how to attend a Video Call. Please note:

- When booking an appointment you will need to ensure that the personal details you enter match the records we hold in school - for example if you told us your name is 'Michael' and you enter 'Mike', the system will not recognise you.
- The system is strict when it comes to timings and it is therefore important that you 'attend' your meeting on time, and understand that the meeting will end (sometimes abruptly) when the 10 minutes is up. If you are disconnected mid meeting for any reason, the class teacher will try to reconnect. If total connection is lost, the teacher will call you to rearrange or continue the discussion - it may not be possible to call immediately.

A guide to booking an appointment online is available on the home page of the school website. This is a generic guide for the School Cloud system across Trust schools. Please use <https://clutton.schoolcloud.co.uk> to access the system for Clutton Primary School.

Whilst we hope to invite you into school again soon, we are confident that the School Cloud system is an effective way for Teachers and Parents to communicate, any feedback you have will be gratefully received. Please direct this, and any questions to office@cluttonschool.com or call us 01761 452510.

Kind Regards

Liz Ennew (Headteacher)
