Behaviour Policy

Rationale

At Hemington Primary School we aim to develop in all pupils responsible behaviour both to themselves and others, showing consideration, courtesy and respect for other people and property at all times. We recognise that childrens' behaviour reflects their emotional and social development. We take a whole school approach to exploring childrens' behaviours, the emotions behind their behaviours and how to resolve and repair relationships.

We aim to achieve this by

1. Promoting and maintaining a positive school climate, in which children can develop and thrive, by encouraging good behaviour and discipline.
2. Working closely with parents to promote a high standard of behaviour throughout the school.
 - (a) Good behaviour is not automatically learned, but needs to be taught and supported by praise.
 - (b) Children's behaviour can change and we as teachers can assist children to manage their behaviour more effectively.
 - (c) Supporting children with challenging behaviour is the responsibility of all.
3. Recognising that positive behaviour management is more effective than disapproval.
4. Enabling children to discuss their emotions and develop self-regulation.

REWARDS AND CONSEQUENCES

Golden Rules

The children will re-negotiate the Golden Rules biannually as part of a whole school assembly. These are displayed in the hall and in each classroom and form the basis of classroom discipline and reward.

Rewards

Dragon Tokens

Children are rewarded with dragon tokens for good behaviour and effort. These are collected to contribute toward a whole school reward. Rewards are a whole school non-uniform day for reaching 500 tokens and a large reward, negotiated with the children, for reaching 1,000 tokens. Children from both classes are rewarded in sharing assembly with Headteacher Award certificates and special mentions and a tally of the current week's Dragon Tokens is made. The dragon token chart restarts each year.

Golden Time

Children are rewarded for good behaviour and effort with half hour Golden Time of free play on a Friday afternoon.

Other rewards that teachers might use are:

- verbal praise
- positive comments written on work
- smiley faces
- positive messages sent to parents
- stickers
- sending the child to another member of staff for reinforcement
- certificates or recognition in assemblies

Unacceptable behaviour

The following behaviour is regarded as unacceptable:

- refusal to stay on task
- answering back - tutting, sighing, muttering, sulking
- disruption by being uncooperative, shouting, walking away when spoken to, misuse of equipment, spoiling other people's work
- swearing, verbal abuse, name calling, spitting
- stealing
- physical violence
- 'play fighting'

Consequences

The following list of consequences are used to register disapproval of unacceptable behaviour. When sanctions are invoked children should be helped to understand why what they have done is unacceptable. The sanction could be:

- verbal check
- loss of Golden time
- working beside the teacher
- isolation from other children
- withdrawal of playtimes
- reporting to the Headteacher
- contacting parents
- behavioural management programme

- suspension
- exclusion

Records: If a child is constantly misbehaving a case record should be kept containing dates and records of incidents.

Serious incidents are recorded on a behaviour log and escalated to an appropriate level involving the Headteacher and parents.
