## **Field to Food Learning Day** **Wednesday 24<sup>th</sup> April – Bath & West Showground**

Dear Parents/Carers

Chestnut and Cedar Class will be visiting the Bath & West Showground to take part in the Field to Food Learning Day. We will travel by coach to the Bath & West Showground where children will get involved in many different activities which will help them to understand how the food and drink that they consume arrives on their table.

For marketing purposes for this event Bath & West have requested permission to take photographs and take a short video reel of the day. Please complete the disclaimer below and return to school as soon as possible. If there are any parents/guardians who do not consent to their child being photographed or on film they will more than likely be identified at the event with an arm band or sticker.

Children should wear school t-shirt and jumper/cardigan with comfortable trousers (no denim).

Chestnut and Cedar class will receive a free school packed lunch but you can of course bring a packed lunch from home in a disposable bag. We will be back in time for normal school pick-up.

Please complete the attached form as soon as possible.

This trip will give children the opportunity to get up close to agriculture; developing a real understanding of farming and its importance to their lives every day.

Best regards.

Miss Saunders and Mrs Warren
