Y4 Visit to Gracewell Care Home, Bath

Dear Parents/Carers

This academic year 2018/2019 we have been following a new Well Being curriculum that focusses on the emotional wellbeing of our pupils. As part of this, Year 4 will be developing their knowledge and understanding of how ageing affects us and how to support older people in our local community.

We will be taking it in turns to take small groups of children to visit Gracewell Care Home in Bath on either a Wednesday or Thursday afternoon during the Spring term. Transport will be by minibus and provided by the school. They will be accompanied by two members of staff leaving the school after lunch and returning by 3pm.

Children will have a wonderful opportunity to share stories, play games and partake in other organised activities with the residents. We are sure that your child will benefit greatly from this lovely experience as will the residents.

Please complete the permission form on School Ping.

Yours faithfully

Michelle Parsons
Executive Headteacher
