

Ideas for Holiday Fun

To Year 1 Parents/Carers,

I have devised a list of fun activities that you can do during the Easter holidays with your children. This is not an expectation or a checklist, just some ideas if you would like to use them.

Have a lovely Easter break.

Baking

Hold a cupcake/cookie decorating competition or bake an Easter treat!

Fashion Show

Let your child(ren) loose in their/your wardrobe to put on a fashion parade.

Production

Make a home movie or stage a show.

Crafting

Use clean recycled materials to do some junk modelling.

Decorate an Egg

Hard boil an egg in a pan of boiling water. Use pens or paint, decorate your egg to create a cute Easter decoration.

Easter Cards

Design and write an Easter card and send it to someone.

Make up an Easter rap or song!

Make up your own song/rap all about Easter or one of your own interests! Why not film it and share it on Seesaw.

If you were a bunny...

If you were the Easter Bunny, what would you do for the day? Can you write some sentences? Would you run a bunny marathon? Would you enter a carrot competition?

Easter/Treasure Hunt!

Write clues and hide them around your house for somebody in your family. Or hide eggs (chocolate or pictures) and create a map for people to find them.

Egg and spoon race

All you need are eggs (hard-boiled are the least messy) and metal or wooden spoons for each participant. Race individually or relay-style.

Classic Games!

Play a board game, a card game or Charades (act out something for the other people in your family to try and guess).

Den Building

Build a den somewhere in your home. Share a story or sing with your family in the den. Make it special!
