Midsomer Norton Primary School PTA Christmas Card Event 2020

Dear parents and Carers.

Your child should soon be bringing home their Christmas Card design on a sample card along with an order form. The sample card is yours to keep, even if you don't place an order ☐

To limit footfall through the school office, our preferred option of payment is a bank transfer to the PTA account. Please message Jo Guy via Facebook with a photo of your completed order form if you'd like to place an order, and I'll confirm once payment has been received.

Alternatively, please complete your order form (please keep the sample card) and enclose the correct cash or cheque made payable to Midsomer Norton Primary School PTA. Please make sure your envelope is sealed and ask your child to give it to their class teacher. Please feel free to message me via Facebook to check I've received it. Please make sure your child's name is on the order envelope.

Lastly, Emma Awcock will place a box in the office for you to drop off your completed order form. Please make sure your envelope is sealed and enclose the correct cash or cheque made payable to Midsomer Norton Primary School PTA. Please make sure your child's name is on the order envelope.

Please note, the school office do not carry change and with social distancing in place, please try to avoid the office where possible. Please feel free to contact me if you have any queries.

All orders must be received by 3pm Monday 19th October. Delivery is expected by early December ☐

Merry Christmas from your PTA Team x
