**REF: Class organisation 2021- 2022**

Dear Parents/carers,

Thank you for your continued support over such a difficult time for us all. Due to circumstances beyond our control, we need to adjust the extended transition for children in preparation for the year ahead. This is because we still have to be mindful around bubbles mixing and also, unfortunately Ms Orange is not in school to take part in the transition events. Therefore plans have been altered, however over the three days children will all have the opportunity to get to know their new class teacher.

Please be aware that any plans we are now sharing are subject to change, as Covid 19 continues to be a part of all of our lives. The safety and well-being of the school community continues to be the priority.

We are pleased to announce that Mr Wellington, a Bath spa student who has been working alongside Mrs Cowgill in Willow class, has been appointed to cover Miss Douglas' maternity leave. He will join us in September for the whole academic year. We will be saying goodbye to Miss Ennew, Mich Wallis and Bev Garrett.

We are now able to share the school organisation for you for 2021 – 2022, including class teachers and adults who will regularly be in your child's class. This is in place for Term 1, but please bear in mind that we do review progress, learning needs and support in class termly, and make changes accordingly. As in previous years, we will need to have two mixed year classes. These decisions are made collectively as a staff team, and this year Mr Turull has been a part of this process. The decision made is based around where children will learn best and their well-being.

Mrs Appleyard and Mrs Anthony will continue to provide nurture support as required through forest schools. Mrs Sebright will continue to provide PPA cover in her role as HLTA.

**Drop off and collection September 2021:**

We are hopeful that school drop off and collection will return to one start and finish time for all children and that bubbles will no longer be necessary. Please be aware that we may need to change plans at short notice should guidance change. The table below is what is planned for September.

We have been really impressed to see how excited and independent the children have become at leaving parents at the school gate, this will continue in September for all year groups. There will continue to be members of staff at the gate to greet children/take any important messages each morning and teachers will continue, where possible, to see classes out at the end of the day. Upper KS2, if your child is walking home independently please let the class teacher know.
