

Clutton Primary School – Admissions 2023/24

Clutton is a happy, family school in which we encourage pupils and adults to have a caring and considerate attitude towards one another. We recognise and value the uniqueness of every child, helping all to achieve their best within a safe, secure and creative environment.

We aim to enable children to learn skills, knowledge and develop concepts that will help them grown into positive, responsible people who can work and co-operate with others and hopefully be better equipped for life in today's ever changing society. The school enjoys a good reputation for providing a broad, balanced, challenging and creative environment, made possible by our highly committed and hardworking team of teachers, support staff, parents and governors.

Aims

- We seek to be an inclusive school, welcoming children from all backgrounds and abilities.
- All applications will be treated on merit, and in a sensitive manner.
- A child's level of ability is irrelevant to this school's admissions policy, as are any special needs the child may have.

Admission Criteria for the school are as follows:

Where there are more applications received than there are places available within the required year group, the Governing Body will consider all on time applications against the criteria as set out below:

PRIORITY A

- A 'looked after child' is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions, in England.

or

- A 'previously looked after child' is a child who was looked after (in England), but ceased to be so because they were adopted, or became subject to a child arrangements or special guardianship order, as well as a child who appears to the Trust Board to have been in state care outside of England care (i.e. in the care of or accommodated by a public authority, religious organisation or any other provider whose sole/main purpose is to benefit society), but ceased to be so as a result of being adopted.

PRIORITY B

The 2 categories in this criterion will be given equal consideration.

- Children who live within a 1.5 mile radius* of the school and for whom there will be a sibling in attendance on the admission date at the preferred school.
- Children who live outside a 1.5 mile radius* of the school but it is their **closest** School and for whom there will be a sibling in attendance on the admission date at the preferred school.

PRIORITY C

Children who live closest to the school as measured in a direct line.

Additional Notes

To be considered under the above criteria parents must have named the school as a preference. Under the above criteria all preferences are considered equally. If a child qualifies for more than one school they will be offered their highest preference as stated on their application form.

* The 1.5 mile radius will be measured from the address point of a school as defined by the Local Land & Property Gazetteer (LLPG). In all cases, distances will be measured in a direct line from the address point of the child's home address to the address point of a school as defined by the Local Land & Property Gazetteer (LLPG). Measurements will be determined using the Local Authority's GIS computerised mapping system.

If under all the above criteria any single category resulted in oversubscription, those living closer to the preferred school would receive the higher priority. Where there is more than one applicant ranked equally according to the published admission criteria and there are insufficient places available to allocate all of the equally ranked applicants the place(s) will be allocated by random allocation.

Sizes of classes for KS1 children

We teach KS1 children (aged five to seven) in classes that have a maximum number of 30 children. This limit is set by the School Admissions Code (1.17) on Infant Class sizes.
