Monday 1st March 2021

T4 8th March 2021: school arrangements.

Dear Parents and Carers,

We are very excited to welcome all children back into school from Monday 8th March 2021. Our risk assessment is being updated, and will be available on the [school website](#) by the end of this week.

Please see notes below on a few arrangements for Term 4.

Bubbles:

In order to safely identify close contacts and mitigate risk, children will be taught in their own classes during the day. At lunchtimes children will be eating and playing in the following bubbles. Seating arrangements will be in place to ensure we can identify close contacts if we need to.

Bubble 1: EYFS (Cherry Class) Maple and Willow Class.

Bubble 2: Rowan, Sycamore Class and Oak Class.

Drop Off:

To allow for no gathering on and around gates, pupils can come straight into class when it is their allotted time. Please continue to be punctual, and leave as soon as your child is on the school premises. Please cross over and use the far pavement to go home, enabling parents dropping off to be on the gate side.

Collection:

These changes will help to reduce the number of parents gathering in close proximity waiting for classes to come out. You must come onto the playground to collect your child, and therefore wear masks until you leave the site. Entrance to the front playground will be through the small pedestrian gate and the exit through the car gate. At this time, can we ask that no dogs come to school or are tied at gates.

PE / Forest School:

Please see the schedule for PE and forest school days. On these days, children will wear appropriate clothing all day (i.e PE kit or weather appropriate
