Dear Parents/Carers

Communication from the School

Due to the large number of different family dynamics within the school, from the 16th January 2023 all communication, including text messages, will be sent to the top two contacts named on the data collection sheet that you all completed at the beginning of the school year.

Unfortunately the system will not allow us to do this for individual students and so must be a school wide practice.

If you do not wish the person named as second contact on your data collection sheet to receive all communications, for example if they are a grandparent, then please pop in or email the office on office@midsomernortonprimary.co.uk by Friday 13th January and we can amend our records accordingly.

Kind regards

The School Office
