<p>Take a look at these space videos.  <a href="https://www.youtube.com/watch?v=AZxORIV0wss">https://www.youtube.com/watch?v=AZxORIV0wss</a>  <a href="https://www.youtube.com/watch?v=o8TssbmY-GM">https://www.youtube.com/watch?v=o8TssbmY-GM</a>  <a href="https://www.youtube.com/watch?v=UyFYqeE32f0">https://www.youtube.com/watch?v=UyFYqeE32f0</a>  <a href="https://www.youtube.com/watch?v=3bC06C532p8">https://www.youtube.com/watch?v=3bC06C532p8</a></p> <p>Are there any other questions you would like to ask NASA? If so can you write a letter asking your questions and hopefully they can answer them.</p> <p>Take a look at what astronauts wear when they go up into space. Why do they wear a special suit? Can you investigate what their helmet is made from? What material their gloves are made from? Can you find out what material their boots are made from? Draw an astronaut and label its suit and its materials.</p> <p>The aliens like stretching the elastic in the pants. Can you think of other materials that stretch? Why do pants need stretchy elastic in them?</p>	<p>Make an alien mask. How many eyes will you have? Is your alien green or blue? Have you got 3 antennae's? Is your Alien kind and friendly?</p>  <p>Using a toilet roll can you make a rocket ship?  Using paint or wax crayons or colouring crayons can you make a space scene? You will need a moon, stars, planets, comics,</p> <p>Using your recycled materials make a jet pack. This can be done using 1 cereal box and string for straps or two fizzy bottles, stick them together and attach some string for straps.</p> <p>Design a poster inviting people to a new planet.</p>	<p>Who was the first person to land on the moon? What was his name?  What did he do?  How did he get to the moon?  How long did it take?</p> <p>To research the order of the planets. Can you draw the solar system?  Can you remember the rhyme? My Very Easy Method Just Speeds Up Naming Planets.  <a href="https://spaceplace.nasa.gov/menu/solar-system/">https://spaceplace.nasa.gov/menu/solar-system/</a></p> 	<p>Cosmic Yoga:  <a href="https://www.youtube.com/watch?v=v9W8iV4AJYQ">https://www.youtube.com/watch?v=v9W8iV4AJYQ</a> (Space Yoga)  <a href="https://www.youtube.com/watch?v=BEPxPkQY6V8&amp;vl=en">https://www.youtube.com/watch?v=BEPxPkQY6V8&amp;vl=en</a> (star wars yoga)</p> <p>Draw space themed pictures. Hide them around the garden and ask your child to go and find them.</p> <p><a href="https://www.youtube.com/watch?v=HSYaEBcl8xI">https://www.youtube.com/watch?v=HSYaEBcl8xI</a> (Astronaut dance)  <a href="https://www.youtube.com/watch?v=d3LPrhI0v-w">https://www.youtube.com/watch?v=d3LPrhI0v-w</a> (Joe Wicks)</p>

### solar system hats

Explore the words: Shuttle, milky way, orbit, meteor, comet, solar system, space shuttle and solar system.

Every night, take a look at the moon. What does it look like? Can you draw

it? How has it changed since the previous night?

Research what happens in space: Can you write or tell me three facts that you have investigated about space.

## Computing

On purple mash: Alien profile.

On purple mash: The Planets. Create a picture using images of the planets. Then write a sentence about your picture.

Maths city 1: The rocket ship game.

## Music

Sing: 5 little men in a flying saucer.

Listen to the orchestral music of Gustav Holst - in particular 'The Planets' suite. Encourage the children to create movements based on the music for each planet.

## RE

If you had to make a wish before bedtime, what would you wish for? Can you either write it down or tell me by using the voice recorder.

### Respecting our nature:

Go outside for a bug hunt. What bugs can you see? How would you keep them safe?

<https://www.youtube.com/watch?v=bN7KIMmwlc> look at the story 'The tiny ants' a Muslim story.

How did they look after the ants? What do they believe, after listening to the story? Are all animals equal?

Do you treat animals fairly, no matter how big or small they are?

## PSHE.

The aliens like to take people's underpants. Can you think of a way of explaining to them that taking other people's property isn't right. Could you make a sign to stop them from doing this anymore?

Children could have a space picnic or party! They could write invitations to their friends and make some space-themed food to enjoy.

Solar system Bingo. Draw 5 of the planets. Someone will pull out the names of the planets, the first one to get a full house wins.
