October 2025

Cycle to School Week Monday 13th October 2025 - Friday 17th October 2025

Dear Parents and Carers,

Get ready to pedal your way from A to B this October and experience all the fantastic benefits that cycling brings—saving money, improving your health, and protecting the environment along the way.

We're excited to announce that Cycle to School Week 2025 will take place from Monday 13th to Friday 17th October. This special week celebrates the joy and freedom of travelling by bike and encourages young people to make cycling part of their everyday routine.

So, get your bikes ready—check your brakes, pump up your tyres, and join thousands of others in making the journey to school more active, enjoyable, and environmentally friendly! Every ride counts.

During the week, each class will have a 'Cycle to School Week' tracker to record how many children cycle to school. The class with the most cyclists will earn special recognition, and everyone's efforts will help us in sustaining our Modeshift Stars Good Accreditation!

Thank you for your support.

Miss Collins

PE Co-Ordinator

We are building a community where learners have no ceilings to their aspirations and successes. Everyone is respected and loved in their own right.
