

11th March 2019

Dear Parents and Carers

It is timely that we are in contact with you again regarding the proposed merger of Midsomer Norton Schools' Partnership (MNSP) and Dragonfly Education Trust (DFET). At our last face to face consultation, we informed you that we were proceeding with an expected merger date of February 1st 2019. That has changed to some extent and we are now looking at early Spring. As you can imagine there are a considerable number of details to work through and many things need to be in place before the merger can proceed.

Please be assured that this adjustment to the merger date in no way implies a lack of interest in proceeding for either MNSP or DFET. As before, we remain committed to ensuring a good quality of education for all children in both Trusts.

Yours sincerely,

Mark Everett
Chief Executive Officer
Dragonfly Education Trust

Alun Williams
