'Part of the Midsomer Norton Schools Partnership'

Dear Parents and Carers,

We are always looking for ways to enhance our environment and ensure we are using our spaces to best support your children's comfort, play, and development. With that in mind, we are thrilled to announce some exciting changes to our room arrangements from September 2026.

While many things will remain familiar, we have reconfigured our spaces to provide better transition opportunities and more room to explore:

- Sun Class & Star Class: These two classes will be swapping rooms.
- Sunbeams Class: This class will stay in its current room. However, they will now benefit from a new, larger shared outdoor play area with Sun Class.
- Star Class Outdoors: Star Class will move into the large outdoor area previously used by Sun Class. This is a purposeful move to help them gradually transition toward using the "big playground" over time.

---

## Drop-off and Pick-up Information

To keep things simple, most routines remain the same, with just a small swap in positioning for the bottom playground, Sun & Star Class will still be located in the bottom playground, but the gates will swap: Sun Class will now be on the left and Star Class will be on the right.

## Summer Preparations

Our dedicated staff will be working incredibly hard over the summer holidays to renovate and refresh these spaces. We are committed to making these areas amazing, inviting, and full of wonder for the children to discover when they return in September.

We believe these changes will create a more dynamic learning environment for everyone. Thank you for your continued support as we grow and improve our school together.

Kind regards,  
EYFS Team
