Earth Day 2024

Thursday 18th April 2024

Dear Parents/ Carers,

As you may be aware, Monday 22nd April 2024 is international **Earth Day**. This is a global event participating in raising awareness of the importance of protecting our planet and its natural resources. Please follow the link for more details: <https://www.earthday.org/>

This year's theme is 'Planet vs. Plastics'. We will be participating as a school on the afternoon of **Monday 22nd April** with an assembly delivered by our school Eco Team and discussions surrounding this year's theme. As a school, we have already started recycling more plastics and food waste at lunchtimes and want to continue to improve our school environment so we can achieve the Eco-Schools green flag.

As part of our Eco-Schools action plan we have committed to improving the environment and our school by keeping our school and school grounds litter free.

<https://www.eco-schools.org.uk/ten-topics/litter/>

To support this commitment for our school, we would like to encourage each child to pledge **£1** as a contribution to new playground bins. These will remind us and help us to achieve a cleaner school environment.

Thank you for your continued support.

Ms Biss & Mrs Hamilton
