Dear all,

Following is an update regarding both Manvers Street Foodbank Centre and Lighthouse Centre in Bath.

Manvers Street Roadworks and Road Closure

Starting 26th May Manvers Street in Bath will be closed for necessary works, scheduled to last for 6 months.

The foodbank centre at Manvers Street Baptist Church will remain open as normal

Please note access will be for pedestrians only – car access/parking will not be available

For anyone needing to access the foodbank by car we suggest instead visiting one of our other centres
<https://bksv.foodbank.org.uk/locations/>

For more information, please also check the council's website:

<https://www.bathnes.gov.uk/manvers-street-works>

The Lighthouse Centre in Twerton

From w/b 8th June we will be reducing our opening sessions at The Lighthouse centre to once a week and also amending the opening time slightly.

From then the centre will be open on Thursday each week from 10am – 12pm.

We have been advertising this at the centre for the last few weeks so hopefully people will be aware, but we would appreciate you reminding people should you make referrals to this centre.

Any queries please get in touch.

Regards

Grainne
