Behaviour Policy

We are extremely proud of the children who attend High Littleton Church of England Primary School. Visitors to school often comment about the positive behaviour of the children and that they are a credit to the school. Our Behaviour Management System follows six simple Golden Rules.

Our whole school approach to behaviour includes all children, all staff and all parents. These rules will be followed in class, during lunchtime, in the playground, during Collective Worship and extra-curricular clubs as well as at the beginning and at the end of the school day.

Golden Rules

The following rules will be displayed around the school.

1. We listen; we don't interrupt.
2. We look after property; we don't damage things.
3. We are gentle; we don't hurt others.
4. We work hard, we don't waste time.
5. We are honest; we don't cover up the truth.
6. We are kind and helpful; we don't hurt anybody's feelings.

Sanctions

Sanction 1: Yellow card (name recorded)

Sanction 2: Red Card (name recorded)

Sanction 3: Sent to Key Stage Leader or Deputy Headteacher

Rewards

Work Together Jar

At the discretion of the staff, if they feel a child or a class has followed the Golden Rules they will be awarded a marble to place in a jar. The idea is that each class decide on how many marbles they can collect during the term. At the end of the term, if they have achieved their goal, the class will be awarded a treat. This reinforces the idea of teamwork and the need to follow the Golden Rules if they are to be rewarded.

Mr Griffith's Tea Party

At the end of each term, two children from each class will be invited to attend a tea party hosted by Mr Griffith. The decision will be based on which children have been following the Golden Rules. Each child will receive an invitation in the post from Mr Griffith a week before the party takes place. It is also a lovely opportunity for Mr Griffith to spend some quality time with the children!

High Littleton Primary School is committed to working towards race equality, promoting positive approaches to difference and opposing all forms of racial prejudice and discrimination. Language or behaviour, which is racist or potentially damaging to any ethnic or racial group, is not tolerated and will always be challenged. We recognise that British society is made up of people from many different racial, cultural, linguistic and religious backgrounds and that all pupils must be fully prepared to live in such a diverse society.
