Happy New Year

Welcome back: As this is the first newsletter of the new year, I would like to welcome you all back to High Littleton Primary School following what I hope was a peaceful Christmas period for you all. I am sure that you would like to join me in welcoming two new families to our school. Clara has started in Hedgehog Class, whilst Harry and Sophie have also joined us in Fox and Owl classes respectively.

Governor Open Day: This week we opened our doors to our hard-working governors, who saw for themselves how hard both staff and children work on a daily basis. Governors were invited into classrooms, to observe Collective Worship as well as being able to watch the children playing at break times and lunchtimes - feedback was very positive.

Attendance: As of today, our whole school attendance stands at 97%. Our target for the end of this academic year is 98% and we continue to work towards that figure with your support. We as a school are fortunate that you as parents place a great deal of emphasis on regular attendance as this allows your child to make good progress with their learning. Thank you also for ensuring that your children arrive in good time to start the day. We have seen a reduction in children arriving late and this also has a positive impact on their learning.

Year 6 Residential meeting: Last week, Year 6 parents were invited to attend a meeting regarding the upcoming residential visit, their trip to London as well as information about their SATs tests. If you were not able to attend or have yet to complete the medical forms, please contact Mr Gunning.

Parents' Evenings: Looking ahead, our next Parents' Evenings will be held on Monday, 16th March and Thursday, 19th March. More information will come out nearer the time on how to complete your booking.

Educational Visits: Upcoming trips and educational visits include Foxes and Robins visiting We the Curious, Deer Class visiting Lifeskills, Badgers visiting the Roman Baths whilst Hedgehogs and Robins will be performing at the annual Dance Umbrella (more details to follow).

"Love each other as I have loved you." John 15:12

Young Voices

On Wednesday, twenty children and a whole host of adults embarked on the annual journey to Birmingham for the Young Voices concert. The children had an amazing time and were impeccably behaved throughout the day. They were joined by another 5,000 children from across the country in an evening of song and dance. My grateful thanks to Miss Langley, Mrs Stenner, Mrs Smith and Miss Stevens for taking the time to give the children a most memorable experience and for ensuring their safe return to school.

Chair of Governors

Following a successful tenure as our school's Chair of Governors, I would like to inform you that Mr Alec Bennett has stepped down from his role. As a former parent at the school, Alec has played a pivotal role in supporting and challenging us which has allowed the school to flourish during his time at High Littleton. At times, the role has been quite challenging, supporting the school's senior leaders in managing staffing, budgets, supporting in the delivery of the curriculum, implementing Trust policy as well as being an integral part of our most recent Ofsted inspection. On behalf of the whole school community, I would like to extend my heartfelt thanks to Alec for his unwavering support.

With Alec's departure, the role of Chair of Governors has now been taken up by Mr Dave Howson, who currently has two children at our school. Dave has worked alongside other schools in this role and therefore is well-equipped to continue Alec's good work.

If you are interested in the work of our governing body or you would like to become a governor, please let us know.

Thought of the Week

Thought of the Week

'Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.' (Matthew 6:34)

**"Worry does not empty tomorrow of its sorrow.
It empties today of its strength."**

- Corrie Ten Boom

1946 and met with and forgave two Germans who had been employed at Ravensbrück, one of whom had been particularly cruel to Betsie, her sister. Corrie lost her father while they were held in prison and her sister while in the concentration camp.

It's quite surprising that after everything she went through, she was able to talk about not worrying. For someone who had to endure existing in a concentration camp, which included watching her father and sister die and spending time in solitary confinement, it's amazing that she could even think about enjoying 'today' and not worrying about the next.

It's easy to find something to worry about, maybe even more so at the current time. But as Jesus says in Matthew's gospel, don't worry about tomorrow, focus on today. That doesn't mean we need to start worrying about the here and now, but like Corrie Ten Boom says, focusing on tomorrow and the next day, just stops you enjoying the moment. It empties you of today's strength.

So before you start worrying about next month's bills, or next week's appointments or even tomorrow's meals, take some time to enjoy today and to live in the moment. Don't let future worries stop you from finding today's joys.

The quote on the left is from Corrie Ten Boom. She was a Dutch watchmaker and later a Christian writer and public speaker. She worked with her father Casper, her sister Betsie and other family members to help many Jewish people escape from the Nazis during World War II, by hiding them in her home.

Unfortunately, they were caught, and Corrie was arrested and sent to the Ravensbrück concentration camp. Her most famous book, 'The Hiding Place', is a biography that recounts the story of her family's efforts and how she found and shared hope in God while she was imprisoned at the concentration camp.

After the war, Corrie returned to the Netherlands to set up a rehabilitation centre in Bloemendaal. She then returned to Germany in
