

6th October 2020

Dear Parent/Carer

GCSE Course Polo Shirts

As part of GCSE PE course students are required to participate in a practical moderation session. This is where they will produce their sporting performances for a visiting moderator to assess. This process will enable the students to obtain their practical grade for the course. To make this easier for the moderator and for the students to feel a sense of belonging to the group, we are offering a GCSE PE polo shirt that will have their name and number on the back. These tops can then be used as part of their PE kit for the rest of their time at the school.

The tops will cost £15.50 (Sizes 32/34, 34/36) £17.50 (Size 38/40) which covers all of the embroidery and printing. If you are interested in your child obtaining a top, please complete the slip below and return to the school office.

Please place the reply slip in an envelope-showing the student's name, size, quantity, tutor group and clearly marked 'GCSE PE Top', and have **paid £15.50/£17.50 via parent pay** and return it to school via the office. Pupils entitled to Pupil Premium will be funded by the school, if sufficient funds are available in the pupil's uniform account. I would like to place an order on 9th October and unless we have had confirmation by this date your son/daughter will not be able to purchase a shirt.

Yours sincerely

Miss Whittaker
Head of PE
