

In science children will learn to identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat. They also learn how to identify that humans and some other animals have skeletons and muscles for support, protection and movement.

Sports with Mr Groves

In music we will be learning all about pulse, rhythm and pitch.

Goldfinch class

PSHE

'Being me in my world' is our topic for term 1. The sessions include, getting to know each other, our dream school, rewards and consequences and we will then write our own learning charter.

This term our writing will be based around the book 'The Stone Age Boy' We will be producing both fiction and nonfiction written work.

In RE children will be learning all about Christianity.

This term we will be learning about prehistoric times; the Stone Age, Bronze Age and Iron Age. Children will be learning about way of life and the changing landscapes during these periods. They will also be looking at artefacts and will discuss what they tell us about how they lived. We will look closely at Skara Brae and Stonehenge.

ICT

Computing systems and networks - Connecting computers

Art

In Art this term our topic relates to history and we will be looking at Prehistoric Art. In this unit we will use charcoal and natural materials and study cave paintings from that era. Children will then have a go at creating their own artwork inspired by prehistoric works.

This term we will be learning place value and addition.
