## Farrington Gurney Governing Body 2018/19

Name	About
Lena Lovell - Director Appointed Governor - Chair	Lena has worked as a qualified project manager in the telecoms industry for 15 years, working on both operational and technical programmes. She has 2 children at the school in years 6 and 3.
Adele Ross - Director Appointed Governor - Vice Chair	Adele has one child at the school in year two and one who is in year 8 at Norton Hill. Both have great things to say about Farrington Gurney School.  Adele works for a Technology Consultancy and heads up Partnership Development.
Sophie Fazzi - Director Appointed	Sophie has a Masters in modern languages and is currently working for a large French company as a Corporate Services manager which encompasses anything from facilities to communications, marketing, and bid management.  She lives in Hallatrow and chose Farrington over other schools because of the small, rural school ethos and approach to learning the school provides. She has 3 children at the school in years 6, 4 and 3 all of whom love being part of the school community.
Laura Tyrrell - Director Appointed	Laura has 1 child at the school in Year 1 and a second child who will start school in 2020. Laura is a Senior PA for a large international law firm in Central Bristol.
Gemma Ward - Foundation Governor	Gemma is a solicitor at a large international firm and works in Bristol.  She and her family (husband, toddler and dog) are members of St John's church congregation and Gemma is the Parochial Church Council's secretary.  She attended a small rural village primary school herself (some time ago!) and values the benefits that a small school can offer.
