Friday 16th December 2022

Dear Parents and Carers,

As part of this History topic learning about coal mining in our local area, we will be visiting The Radstock Museum on Wednesday 8th and Thursday 9th February 2023. We will be splitting the children into 2 groups (1 for each day) and we will confirm these groups nearer the time.

We will be leaving school at 9am to talk to Radstock and then leaving the venue at 12pm and returning back to school in time for lunch - so all lunchtime arrangements will be the same as usual.

Your child will need:

- A water bottle
- A healthy snack
- Waterproof coat,
- School uniform - children can wear leggings and trainers.

For this trip, we will be asking for a voluntary contribution of **£5.40 to cover the cost of entry and workshops**. Please pay and consent to your child participating in the trip via ParentPay by **Tuesday 2nd January 2023**.

As you will be aware school finances across the country are an issue; therefore, if we do not receive a 95% total fee we unfortunately will not be able to allow the trip to go ahead.

If we do not reach the 95% target we will ask families, if they wish, to make a donation to 'top up' funds. Please do not feel pressure to do this, only do it if you can; we have had many families ask if they can be given this choice before a trip is cancelled. We will confirm by Wednesday 23rd November if the trip is not able to go ahead.

We require a small number of parent helpers to accompany us, so if you are able to help with the children on the day, please advise the office.

Yours sincerely,
KS1 Team
