

Dear Parent/Guardian

The clocks go back on Sunday 25th October and in partnership with Bath and North East Somerset Council, South Gloucestershire Road Safety Team will be promoting a Be Bright Be Seen campaign which is available to all schools.

Your child had the opportunity to *take* part in a Be Bright Be Seen session, by watching and interacting with a presentation, delivered by a member of South Gloucestershire's Road Safety Team.

The aim of the session is to encourage children to think about the following:

- Being bright
- The difference between Fluorescent and reflective
- How the weather can make a difference
- To always use the Green Cross Code

On this sheet we have included an activity for your child to continue the learning experience.

Please encourage your child to wear something bright and take extra care when out and about near roads, especially as nights draw in and visibility is reduced.

Kind Regards

Martina Byrne-Obee

Lead Road Safety Officer

Be Bright Be Seen!

Spot the Safest Choice

Look at each pair of pictures. Circle the safer choice in each one. Then have a chat about why it is safer!

Small choices make a big difference!

1 Which one is safer on a bike?

2 Which one is safer when out and about?

3 Which one is safer at night?

Design a T-Shirt

Can you design a t-shirt to encourage other people to Be Bright and Seen?
