Clutton
Primary School

Dear Parents and Carers,

We are excited to announce that from the next academic year all children in KS2 will be involved in an enrichment programme on Friday afternoons. The children will be divided into 3 groups and throughout the year they will take part in 2 terms of swimming lessons at Paulton Swimming pool, 1 term of forest school sessions, 1 term of food technology (cooking) and 2 terms of PE sessions (extra to their weekly class PE session). We will let you know which group your child is in when we return in September.

	TERM 1	TERM 2	TERM 3	TERM 4	TERM 5	TERM 6
Group 1	Forest school	Food technology	PE	PE	swimming	swimming
Group 2	PE	PE	swimming	swimming	Forest school	Food technology
Group 3	swimming	swimming	Forest school	Food technology	PE	PE

The school will be paying for the hire of the swimming pool, lifeguard and the instructors but we need to ask for a voluntary contribution towards the cost of the coach hire to take the children swimming, as this will cost in excess of £3600. The suggested donation is £25 but if you are able to give more (e.g £30) it would be greatly appreciated. The payment item will be set up on Parent Pay in due course. We would also ask for a voluntary contribution of £5 per child towards the cost of ingredients when your child has food technology.

As always, thank you for your support.

Kind regards,

Mrs Cowgill and Mr Turull
