How will Key Stage 2 SATs be marked?

All of the test papers are sent away to be marked. Children will be given standardised scores for Reading, Spelling, Punctuation and Grammar and Maths. In order to achieve the expected standard at the end of Key Stage 2 your child will need to achieve a standardised score of 100. Results will be shared with parents in the end of year report.

How will my child be assessed in writing?

Writing is teacher assessed using descriptors set by the government. In order to achieve the expected standard, children's work must show examples of all of the descriptors in samples of their writing.

How to support your child

It is essential that your child attends school every day. Each morning of the SATs we will be running a breakfast club for Year 6 pupils starting at 8.10am to help prepare and relax the children.

The weekend before the tests, please support your child to relax. Make sure that they have an early night and feel fully rested for the week ahead.

The SATs are a snapshot of what your child has learnt in primary school and the results depend on how well they perform on the day. As the teachers that work with your children, we can honestly say that each and every child has made fantastic progress this academic year. We are proud of the hard work and resilience they have shown in preparing for the tests. In addition to the SATS results, secondary schools also receive our teacher assessments for reading, writing and maths and discuss in detail your child's strengths and interests with our teachers to support your child's transition to secondary school.

If you have any questions or need further clarification, please do not hesitate to speak to the Year 6 team or myself.

Kind regards,

Alun Randell
