Wednesday 28th September 2022

Dear Parents and Carers,

As part of this Geography topic learning about the world's rainforests, we will be visiting The Living Rainforest on Wednesday 19th October 2022.

We will be leaving school at 9:30am and we will be leaving the venue at 4pm and anticipate returning to school around 5.45pm - we will keep you updated via text if traffic causes any problems on the day!

Your child will need:

- A water bottle
- A packed lunch & healthy snack. If you would like the school to provide your child packed lunch, please email the office by the 12th October.
- Waterproof coat,
- School uniform - children can wear trainers to change into after the trip.

For this trip, we will be asking for a voluntary contribution of **£25.90 to cover the cost of entry and a goody bag**. Please pay and consent to your child participating in the trip via ParentPay by **Monday 10th October 2022**.

As you will be aware school finances across the country are an issue; therefore, if we do not receive a 95% total fee we unfortunately will not be able to allow the trip to go ahead. If we do not reach the 95% target we will ask families, if they wish, to make a donation to 'top up' funds. Please do not feel pressure to do this, only do it if you can; we have had many families ask if they can be given this choice before a trip is cancelled. We will confirm by Tuesday 11th October if the trip is not able to go ahead.

Yours sincerely,
KS2 Team
