## Bath Taps into Science Schools Fair 2019 University of Bath – Friday 15<sup>th</sup> March 2019

Dear Parents/Carers

We have been given the opportunity to attend the Bath Taps into Science Festival as part of British Science Week for Years 5 and 6 on Friday 15<sup>th</sup> March.

We will travel by coach to the University of Bath where children will spend time interacting with the 30-40 different stands in the fair and also see some exciting demonstrations.

As we will not be back in time for lunch please provide a **packed lunch** for your child in a disposable bag. Children who receive free school meals can have a packed lunch provided for them by the school. However, we will be back in time for normal school pick-up. Please complete the form attached and submit as soon as possible.

There will be no charge for this trip.

This will be a great opportunity to meet and interact with people demonstrating real hands-on science.

Best regards.

Siobhan Waterhouse  
Head of School
