Dear Parents,

## **Change to Medical Policy**

The Midsomer Norton Schools Partnership Trust have updated their central Schools Medical Policy and as a result, school staff will no longer be allowed to administer non-prescription medication during the school day e.g. calpol for mild pain-relief.

Prescription medicines such as antibiotics can still be administered by staff provided the necessary paperwork is completed in advance by parents.

Please find the updated policy attached, for your information.

Kind regards,

The School Office
