Recruitment Information

Welcome to the Trust

Thank you for expressing an interest in joining the Midsomer Norton Schools' Partnership Multi Academy Trust.

Our aim is to provide outstanding education to all pupils, whilst ensuring the unique character and ethos of our schools is preserved.

We are committed to providing inspirational leadership, teaching and support in all our schools and therefore ensure we make a positive impact on the lives of the children that learn with us.

Our staff are our most important resource and we are determined to be known as the employer of choice within the areas we work. We are constantly seeking to improve and grow the Trust and therefore support our colleagues with better career progression, wider opportunities and first-rate training.

We value our staff highly and want to recruit people who share our values and are passionate about providing the very best education and opportunities for children. If your views are similar to ours, then we would welcome your interest in the wide variety of roles we have on offer as an organisation.

We look forward to receiving your application and wish you the best of luck.

Midsomer Norton Schools Partnership

About Midsomer Norton Schools Partnership Trust

Background and Context

The Midsomer Norton Schools Partnership Trust was formed in 2009 following a hard federation between Norton Hill and Somervale secondary schools, both located in the town of Midsomer Norton. Since that point, the Trust has grown to include 10 secondary schools, 1 special school and 17 primary schools, all located in the Southwest of England: Bath and North East Somerset, Somerset and North Somerset.

Primary Schools

Secondary Schools & Sixth Forms

Midsomer Norton Schools' Partnership Trust (MNSP) is focused on school improvement as its primary aim.

Trustees believe that through effective and true collaboration, excellence can be achieved in our schools. The Trust does not seek to make all schools the same, but through sensible standardisation of practices and outstanding support and challenge, we aim to ensure all schools within the Trust are 'good' or better.

We have very high expectations and real ambition for our schools. We provide support and expertise so that our entire community of children and young people can achieve their very best. The unique character of each school is celebrated and nurtured to ensure choice and variety in educational provision. The Trust is committed to providing a broad, balanced and aspirational curriculum in all of its schools, so that all children and young people develop the character and qualifications needed to open doors to their future success.

Our track record suggests that we are having a positive impact on schools, their communities and of course, the lives of the children who learn with us. We have strong, collaborative relationships across the Trust and our schools work very closely together. Staff benefit from sharing best practice and from being part of wider teams which exist within and across schools. This has generated a sense of loyalty to one another and led to staff feeling more valued and able to see that their work goes beyond just one school.

The Trust has grown and as of September 2021 we will have over 12,000 pupils and in excess of 2,000 staff. We have invested heavily in centralised support services, including HR, Finance, Catering, IT and Premises Management. This central provision and support ensures schools can focus on their core business - ensuring children are happy, safe, learn well and become good citizens in modern Britain.
