

With only one week to go before the end of term, everything has started to feel very Christmassy around the school. Kingfishers and Starlings have been busy rehearsing their nativity which the whole school will get to watch on Monday. There will then be performances on Wednesday afternoon and Thursday morning to look forward to.

On Wednesday after school we will be holding our Christmas concert in the playground. We would love all of the children to attend so unless you need to take your child away at the end of school, we are happy to keep them with us whether or not you are able to come along and join in. Children already signed up to Sunflower Club will also be part of the concert and we will reimburse all parents for that session. The concert should last about an hour, so if you are not coming along but are happy for your child to attend, then please come and collect them at 4:15pm. It is slightly different for children in Robins, who will perform first and will then be released to their parents.

We hope to see many of you at the Christmas Tree sale and FOLS Christmas Fair tomorrow. Have a lovely weekend

Mr Turull and Mrs Phillips

Diary Dates

December

Saturday 10th	Christmas Tree Sale and FOLS Christmas Bazaar 10am - 2pm
Wednesday 14th	Christmas Lunch at school Kingfishers and Starlings Nativity Play in Memorial Hall at 2pm 3.15pm Christmas Carol Concert (weather permitting)

FOLS

FOLS are busy preparing for the Christmas Fair, if you can help out at these events, please add your name to the sign-up sheets on the noticeboard outside the school office.

Please don't forget to bring in your bottles and raffle prizes and check your book bags for information.

If you have any questions or ideas, ask a member of FOLS, message us on Facebook or email secretary.friendsofleighschool@gmail.com

Thank you

News from the Classrooms

This week in Robins we have been very busy Sticking Santas, Creating Crackers and Singing Songs... it's beginning to look a lot like.....!

This week the Kingfishers learned about the sense of smell and how our nose works. We had lots of fun making Christmas crafts and loved learning through play in our newly equipped deck area.

We have used the Secondary Source of the Chromebook this week to support our geography learning to make posters on a chosen Continent and in Science to sort animals from the Arctic and Antarctic.

Goldfinches have been practising hard ready for the Christmas concert and are looking forward to performing their songs. We had great fun singing all the songs!

Swallows Class have enjoyed writing a story based on 'The Snowman' this week. We wrote from the perspective of the Snowman instead of James and worked hard to include some fantastic writing such as using parenthesis, personification and repetition to engage our readers. Perhaps you could ask your child to recall their story to you!
