## Arbor - Parent Portal FAQ

Thank you to everyone who has logged in to their Arbor Parent Portal and submitting questions. If you have not yet activated your account please do this ASAP to ensure a smooth transition from SchoolPing and eventually ParentPay

Please ensure you enable notifications from Arbor as going forward we will use 'in-app messages/notifications' as the method to report any urgent messages. We have noticed that some of the messages we have been sent to the recipient's junk/spam folder. Please keep an eye on this, and mark any communications from school as 'safe' so that this does not continue to happen.

All other communications will be sent as they currently are via SchoolPing until further notice. By the end of this academic year we are aiming for all communication to be sent through Arbor.

We will keep checking the questions form - please keep sending questions this way and we will compile a FAQ.

### FAQ

**Q. I have not received a welcome email?**

**A.** *In the first instance please check your junk/spam folder. If you still cannot find an email, please email the school office. They can check that the email on your child's account corresponds with the one you currently use.*

*You can reset your password without the email - open the ParentPortal app, select the school you require and press reset password from there.*

**Q. Will we still be using the other platforms?**

**A.** *We will be slowly phasing out ParentPay and SchoolPing, we will let you know when this will happen. By the end of the academic year we plan on only using Arbor for office communication. As a school there has not been a decision regarding the removal of SeeSaw/Dojo, as we understand Arbor more and it's capabilities we will re-evaluate if these platforms are needed.*

**Q. Can the Parent Portal be used by two parents?**

**A.** *Yes, legal guardians can access the Parent Portal. Each guardian must have a different email address registered on the MIS system. If you did not receive an email or could not reset your password on the portal, please contact the school office.*

**Q. I have other children attending other schools, can they be on the same account?**

**A.** *Yes, when you open the Parent Portal all schools your children attend should show on the home page. Other schools will let you know when their portal is available to access. This is happening in phases across the Trust.*

**Q. I have a historic school email and logo in the portal?**

**A.** *This normally happens when your child previously attended another school within the Midsomer Norton's School Partnership. Please ignore this and reset your password.*
