

We'd like to start by saying congratulations to our Year 6 children for the mature and confident manner they approached their SATs this week despite lots of nerves. They had tests on four mornings this week with their reading, grammar, punctuation, spelling and maths skills and knowledge being tested. They were rewarded with an afternoon of fun in Greyfield Woods with the Year 6 children from High Littleton School who they will be going to their school residential with in the last week of term. We'd also like to say a big well done to the rest of the school who had to work around the SATs this week, staying extremely quiet in class whilst the year 6s were in the hall and having their break at different times each day. We would also like to thank all the staff involved - we had a moderation visit on Thursday to ensure we were carrying out everything properly and received a tick in every box!

In honour of the Queen's Jubilee, on the last day of this term, children will be invited to wear red, white and blue and we will be having a picnic (hopefully outside!!) to celebrate. A packed lunch will be on the school menu on this day instead of the normal fish and chips.

Finally, Hopefully, we are set for some warm weather in the weeks ahead. Please ensure your child comes to school wearing sun cream and a hat and that they always bring a water bottle with them.

A Trip to Greyfield Woods

Yesterday morning at 11 o'clock we set off to the woods. We met High Littleton Year 6's at the carpark and walked on to a shelter where a fire was already lit. We ate our lunch and ran down to an area where we played games and introduced ourselves to each other. After a while High Littleton had to leave but we walked down to the waterfall. We sat around and played for an hour until we headed back to school and arrived just in time for assembly!
