

Weekly Newsletter 2025-6

Dear Families & Parents,

As the autumn term concludes, I would like to congratulate our students on a busy and successful start to the academic year. Their hard work is clearly reflected in our recognition data, with over 200,000 reward points amassed since September—more than double last year's total. This positive momentum was celebrated at our recent events, where over 250 students were recognised for meeting our high standards for points and attendance. Furthermore, I am delighted to announce Margot (Year 7), Frankie (Year 10), and Ena (Year 10) as the first recipients of the new Headteacher's Award for exemplifying our core values.

In terms of academic progress, our Year 11 students completed their first mock exams in November. While we celebrate those who achieved great results, we remind those seeking improvement that there are 15 school weeks remaining to refocus and access support. Our school's overall trajectory remains exceptionally strong; provisional DfE data for 2025 confirms that St Dunstan's achieved some of its best results to date, positioning us as one of the highest-achieving schools in the Mendip area and well above the national average.

Consistent attendance remains vital, and despite the challenges of the flu season, we have seen an overall improvement in school attendance this year. Beyond the classroom, our dedicated staff have provided a wealth of enrichment opportunities, from the Royal Albert Hall concert and The Guardian visit to various sports fixtures and Duke of Edinburgh schemes. We have also invested significantly in our campus, modernising the assembly hall, reception, and PE facilities, while improving student life with a new canteen service and enhanced safety measures.

Weekly Newsletter 2025-6

Finally, I would like to thank our tireless PTA for their fundraising success, notably our second Silent Disco.

As we head into the holidays, we send our best wishes to Ms. J Greuter and a warm welcome to Ms. J Lindon, Mrs. C Smith, and Miss H Smith. Thank you for your continued commitment to our school community. I wish you all a very Happy Christmas and a successful 2026.

Best wishes

P Balkwill

Headteacher

Weekly Attendance Update

What does my attendance look like so far? End of Term 2

Band	Percentage	Number of days attended this year to date	Potential Days of Absence across the year if this continues	Potential hours of lost learning	Classification
1	100%	72	0	0	Perfect
2	98% to 100%	70	4	20	Excellent
3	96% to 98%	69	8	40	Good
4	93% to 96%	67	14	70	Requires Improvement
5	90% to 93%	65	38	190	Concerning
6	Below 90%	64	40	200	Persistent absence

As we come to the end of another busy term, we want to take a moment to recognise just how well our students have managed their attendance. This term has brought a significant amount of flu and seasonal illness, yet it has been fantastic to see how quickly students have returned to school once well, showing real resilience and commitment. By coming back promptly, they have continued to build strong friendships, reconnect with staff, and catch up confidently with their learning. This determination makes a real difference, and we are proud of how our students have supported one another throughout the term. We wish all our students and families a happy, restful and healthy Christmas break.

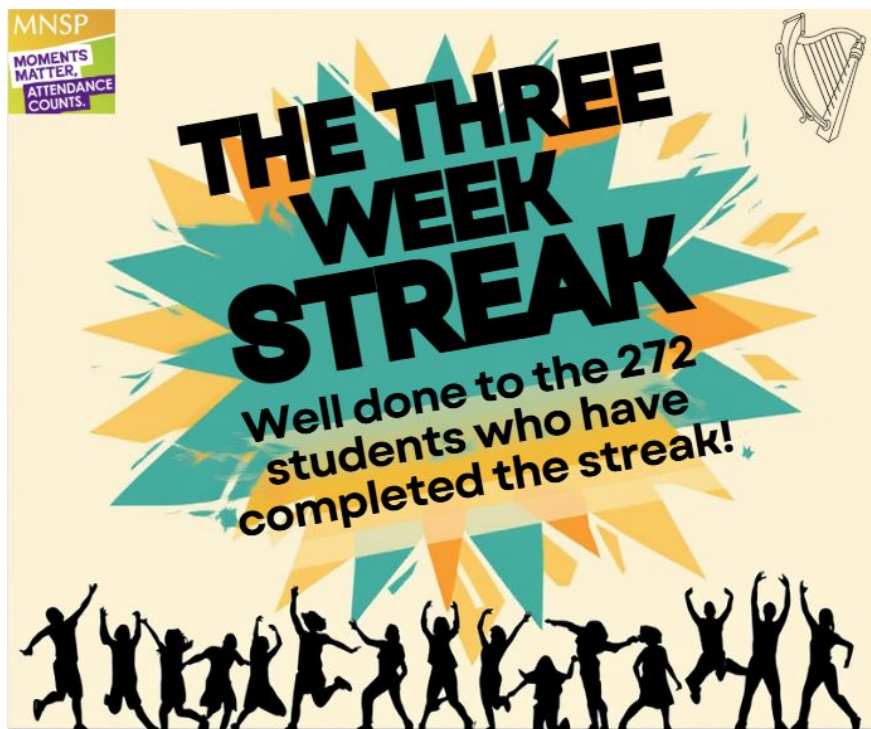

We would also like to celebrate a brilliant attendance achievement this term: 272 students successfully completed a three-week attendance streak. It was lovely to be able to recognise their commitment with celebrations including lucky dips, Amazon vouchers and plenty of Track points. In addition, tutor groups who took part in the Christmas quizzes have now received their chocolate prizes — a great example of “being in to win” and showing that regular attendance really does pay off.

Another highlight of this term has been the success of our 100% Attendance Club across the autumn months. In September, we celebrated an impressive 282 students who achieved 100% attendance for the month. This grew to an incredible 312 students in October, followed by 242 students in November, and we rounded off the calendar year in December with a similar number of students reaching this goal. It is a truly amazing achievement for so many students to meet the challenging target of not missing a single day of school.

Weekly Attendance Update

We fully recognise that illness, hospital appointments and other family circumstances can sometimes make this impossible, and for some children these absences are completely unavoidable. We are very grateful to parents and carers for their continued support in ensuring that their child attends school for as much of the time as they are physically able to and for keeping us up to date with important information.

Looking ahead to the spring term, we know that the "January Blues" can sometimes impact attendance. However, with only 12 weeks until Easter — and a well-earned week off in February — there is so much to look forward to. During these 12 weeks, we will be running three rounds of our 100% Attendance Club, giving students three chances to win £10 Amazon vouchers. We will also pass the halfway point of the school year, making this the ideal time to push attendance even higher so students can enjoy all the activities, trips, time with friends, and, of course, their important learning. We are really looking forward to welcoming everyone back in January, ready for a positive and successful term ahead.

On Track Update

<u>O</u>rganised	Equipped, on time, and completing homework

<u>C</u>ommunity	Supporting staff and other students to create a positive learning environment for all.
<u>K</u>nowledgeable	Knowing key information, concepts and terminology for each subject/unit

Glastonbury Traditions

St Dunstan's was delighted to come together with local primary school pupils, community members and dignitaries for the cutting of the Holy Thorn.

This much-loved tradition brought generations together in a truly special moment, and we hope King Charles enjoys this meaningful Christmas table piece.

Christmas Jumper Day

Our school was bursting with festive spirit on Tuesday as students and staff arrived in a wonderful display of bold, bright, and brilliantly festive Christmas and favourite jumpers!

From shimmering glitter and dazzling sparkles, to reindeer, Christmas puddings and cheerful Santas, every jumper added to the joyful atmosphere across our classrooms.

More importantly, the day gave our whole community the chance to show generosity by supporting Save the Children, helping to make a difference to young lives in over 100 countries worldwide.

Christmas Lunches

The smell of Christmas dinner filled the air on Wednesday!

With a slight adaptation to the day, all students had the opportunity to enjoy their meal with their year group, and the canteen was alive with happy chatter, Christmas lights and approving noises.

Huge thanks to our fantastic canteen staff for all their hard work — it was a real triumph!

Christmas Crafts

On Monday we had Christmas Crafts running over the lunch period, where students were invited to create a range of items. From Christmas decorations, to cards and models, it was a hive of festive activity. In addition, students in KS3 art club have been decorating candles to give as gifts to loved ones this festive season! (Don't worry, Miss Hart did all the wax pouring)

Christmas Carols

The sun was shining on St John's Church last week when our students sang carols in the High Street. The aim was to bring Christmas joy to the community and raise money for charity.

Students sang many Christmas songs from Silent Night, Rudolph the Red Nosed Reindeer and The 12 days of Christmas, with several students singing solos. Students performed beautifully and raised over £65 for a local charity, Promise Works, which is supported by the Mayor Cllr Dr Michael White who joined us. Promise Works operates in Somerset to provide 1:1 mentoring for young people for 2 years.

Before returning to school, we visited Burns the Bread for a Christmas bakery treat which was very much deserved.

Year 11 Celebration Event

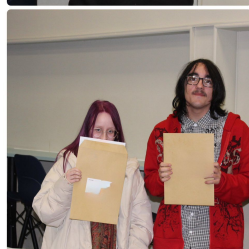

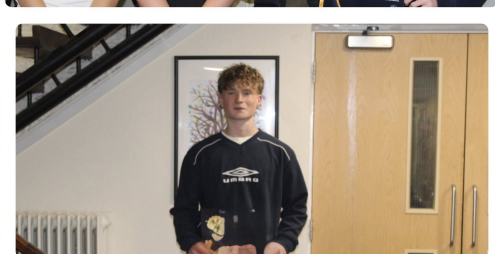

St Dunstan's was delighted to welcome back our Year 11 leavers last week. This is a year group we are all incredibly fond of, and it was wonderful to celebrate their hard work and determination once more.

Over the summer, they achieved record-breaking results, and we were proud to recognise their achievements with a special certificate ceremony.

It was lovely to catch up over coffee and biscuits and hear all about the exciting next steps in their journeys.

We wish every one of them the very best for the future — they will be sorely missed!

THE BOOK NOOK

What a term it has been! What a year! It has been a joy to see how many students love reading, how many talk about books with their friends, how many devour books each evening, or escape their troubles in the pages of a little piece of magic.

As we end the year, we wanted to highlight some of the most popular books of 2025...

The Heartstopper Series

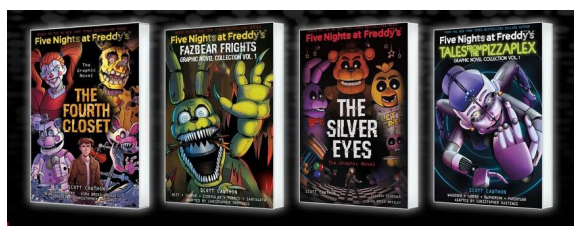

The Sad Ghost Club

The Shatter Me Series

Five Nights at Freddy's

The Hunger Games

The Cruel Prince

A Good Girl's Guide to Murder

Safeguarding Spotlight

Dear Parents/Carers,

We have been made aware that several titles in the **‘According to Humphrey’** series contain a weblink at the back of the book that no longer directs people to information about the books. Instead, the link has been compromised and now leads to inappropriate and unsafe material that should not be accessed by children at any age.

Below are images of some of the front covers in the series to help you identify the books should you have any at home. The link can be found on the back cover or may be also included on a page inside.

For clarity and reassurance, we are not aware of any children who have accessed this link at our school and have removed copies of the book with the weblink from school circulation.

Actions and Next Steps:

- If you have any of these books at home, we advise you to remove them immediately or remove the page with the weblink.
- Be extra-vigilant with all children's books that contain links and ensure that they are checked by an adult.

We are grateful for your continued support in working together to keep our children safe.
