

# Leigh on Mendip School

Newsletter 2 - 11<sup>th</sup> September 2020

It has been a pleasure to have the pupils in for the full week in school and they have quickly adjusted to our new way of working. We have also welcomed back Ian Groves, who delivered PE to Robins, Starlings and Swallows, as well as Min Robertson who led a mindfulness and Yoga session on Monday morning. Min will be leading these sessions throughout Term 1.

Ms Stafford, Mrs Gilson and Mrs Phelps have had a wonderful week up at the Memorial Hall with our new Kingfisher class. We have been thrilled to hear how well the children have adapted to a new learning environment and how enthusiastically they have been arriving in the morning. I also had the pleasure of meeting all in person yesterday morning as they arrived and enjoyed seeing their happy smiling faces.

The start and the end of the day are now running much more smoothly and we do appreciate all of your patience with these arrangements. If you do need to contact a member of staff please feel free to phone the school or email the office or your child's class teacher.

We sent out a letter this week with the extra-curricular clubs for Term 1. These have had to be limited due to current guidance. As of this morning we have had very few replies, so please do let us know if you would like to sign your child up for one of these. If any of these clubs are particularly under subscribed we may have to cancel them.

Please may we remind you that PE kits need to be in school at all times as both Swallows and Starlings have PE throughout the week. Can you ensure that if your child has not brought in their PE kit they do so on Monday.

We'd like to give you a building update. All is progressing well and we hope to have the toilets in use at the start of next week. At the moment the plan is for Kingfisher class to move into their new room at the beginning of October.

We hope you all have an enjoyable weekend.
