Newsletter 2 - 13<sup>th</sup> September 2019

On Wednesday this week Eagle Class had their first Brass of the term. Keith Thomas showed the children the instruments and talked about how they work. The children then chose the instruments they wanted to play next week.

Eagle Class have also started this terms History topic on the Romans and in English looked at instructions for building a chocolate Roman road. They then used biscuits and custard to construct their own versions of Roman roads!

All classes have enjoyed using their new smart touch screen televisions this week. This is the first time Owl Babies have had such technology in their classroom and they are very excited.

Thank you to everyone who has already returned paperwork that was sent to you earlier in the week. The date for the Flu vaccinations is 21<sup>st</sup> October, please ensure that you have returned your child's consent form as soon as possible.

## *Notices*

- Following guidance from our Educational Welfare Officer (EWO) we have been advised that we should not be allowing any child to leave school early unless it is for a medical appointment.
