Mr Randell's Roundup!

Dear Parents and Carers,

It is nearly the end of the term already and what a busy month it has been. Firstly, I would like to give a special mention to all of our Year 6 children who sat the SATS assessments last week with confidence and resilience. SATs are by no means the be-all-and-end-all of primary school yet it has been really rewarding to see our children approach the assessments with such determination. A very big well done to the children and, of course, the staff who have taught and supported the children throughout their time in school.

We have had a range of visitors to school recently – both in person and online. We have had chicks and dental hygienists, and even Rosie the School Dog had a visitor from another school to observe her in action and learn about our experience introducing a school dog! Meanwhile, Mercury class have been working on a local history project and have interviewed Chris Urch a local born playwright and Duncan Steele, a NASA space scientist, via video!

Next week, of course, we are looking forward to celebrating the Queen's Jubilee on Friday. Children are invited to come to school in red, white and blue (or as a royal!). We will be making bunting and creating 'creative' crowns in school before holding crown competition and parade. Glorious weather has been booked (gulp) so that we can eat our picnic lunches outside!

Have a lovely weekend!
