

# Leigh on Mendip First School

working together to achieve our best

Newsletter 20 - 28<sup>th</sup> February 2020

Welcome back to what has proved to be a very wet start to Term 4. As we are writing this newsletter, the rain is falling again and we are bracing ourselves for another windy weekend.

We would like to welcome Gabriella Monti into Owl Class; she has travelled over from South Africa and is now living in Chantry. It is always a pleasure getting to know a new child and family and I know all the children have been very friendly and welcoming. Meanwhile we have heard that Jack has made it safely to Peru; we look forward to hearing updates on his travels.

Today we are lucky to have Amy Collins back in school. Amy worked with many children last year with her dance club and is back to choreograph the Eagle Class dance for the Dance Umbrella in a few weeks' time. We would like to thank her for her time and commitment to our school.

Next Thursday is World Book Day, so please remember that children can dress up in costumes for the day. We have many new books as prizes that are going to be given out for some of the most imaginative outfits!

Here are some photos of the Skittles challenge set by FOLS before the half term break. There were some fabulous creations and thank you to everyone who contributed towards this, we raised well over £100!

## Stars of the Stage

Four of our girls were in a dance called 'A New Decade' at the Bath Forum last weekend. They performed a ballet and tap routine at 4 shows over 2 days! They put in 100% for each show and were kind and courteous throughout. Congratulations to you all!
