

Leigh on Mendip First School

working together to achieve our best

Newsletter 21 - 13th March 2020

We hope you have been receiving and reading the various emails that have come out from our CEO, Alun Williams, regarding Coronavirus. If you have any specific questions, please contact us. If we can't answer them here at school, we will consult with the staff at the Trust offices.

We were very lucky to have three members of the Bournemouth Symphony Orchestra join us on Thursday morning for an hour. They brought along a double bass, a French horn and an oboe, and entertained the children with many different pieces including the beginning of Peter and the Wolf. We would like to say a huge thank you to them; I am sure they will have inspired some of our children to take up an instrument in the future.

Next week we will be welcoming Mrs Bache back to Owl Class. Having spent a couple of months completing a placement at a different school, she will be with us until the end of June. I know the pupils and staff are looking forward to working with her again.

We said farewell to Max in Eagle Class this week. He has left our school to join another school south of Wells. The class made a lovely card for him; we wish him all the best for the next stage of his education.

There was a meeting at school on Wednesday to look at the building work that will be needed as the school moves forward. I was joined by our CEO, the Trust's Estate Manager and Services Director, as well as Mrs Phillips. We looked at how to extend the school to provide three classes from September and should be able to share plans with you before Easter. Speaking of Mrs Phillips, she will be around a little more next week and is looking forward to catching up with parents and children, after popping in this week for a meeting. Mrs Smith will continue with the majority of teaching in Eagle Class up until the Easter break.

Mr Turull
