

We are all looking forward to welcoming our children back into school on Monday. Hopefully you all had the chance to read through the arrangements letter sent last week, but if you do have any last minute questions, then please let us know. The staff have spent the end of this week preparing the classrooms and communal areas. As the weather continues to improve we will be aiming to take the children over to the field for their lunch play, so please can all the children have wellies in school.

We have really good news to tell you, as Miss Gunter is pregnant and expecting a baby boy. We would all like to congratulate her and wish her and her partner the very best. Miss Gunter will be with us for a while yet so I am sure you will get to see her at the gate if you want to pass on your best wishes.

You may have noticed that Mr Marvin's 'Thought for the week' has been missing for a couple of weeks. These will return when we are all back in school on next week's newsletter.

I hope you all have a great weekend and we look forward to seeing you on Monday.

Mr Turull
