

As we reach the Easter break, we would all like to wish you a restful and enjoyable two weeks. This term has been filled with a huge variety of opportunities and we continue to be so proud of how hard all of our children work and contribute to the school. We had a staff meeting this week where we planned many events for the summer term, which we will share with you at the beginning of Term 5.

I would also like to say a special thank you and good luck to Mrs Turner who is leaving us today. She has taken on many roles in the school over the last few years working in both the classroom and the office. Everyone in the school wishes her the very best as she starts her new job.

We look forward to welcoming all the children back on Monday 15th April. Have a great break!

Mr Turull

News from the Classrooms

This week in Robins we have read the stories *We're Going On An Egg Hunt* and *The Golden Egg* and also made Easter cards.

This week in Kingfishers we have learned to recognise patterns in symbols but also in sounds and actions. We learned about first aid, when and how to contact 999 and we had a visit from Mr Matthews who is a paramedic. In Art, we completed our DT project by painting our clay animal sculptures. The book of the week was *Rabbit Foo Foo*, we drew and re-wrote the story in a story map.

This week in Starling class we completed our DT unit on vehicles. Over the term we have studied how vehicles have a mechanism of wheels, an axle and an axle holder in order to make them move. We designed and made our own moving vehicles, ensuring that we included these things.

Goldfinches have had a wonderful end to the spring term celebrating with a delicious Easter breakfast. They have worked so incredibly hard all term that they have really earned this Easter treat. What a fun and tasty end to an amazing term!

Swallows have enjoyed some fun writing opportunities this week to practise their skills in using tension as well as dialogue which advances the story. We also loved the chance to make some fun Easter cards!
